### **Teenage Protagonist Boldly Defies Government Ban On Santa Claus**

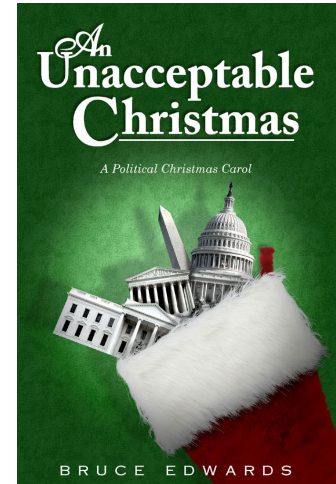

Brea, CA / July 1, 2020 — Today's youth is on the march! Young people are taking do-nothing government officials to task. *AN UNACCEPTABLE CHRISTMAS* celebrates the courage it takes to stand up to authority. Call it a political *It's a Wonderful Life* for a new generation.

#### **The Story**

All six-year-old Michael wants for Christmas is to welcome home his missing father. Stating his wish in a letter to Santa would be the norm for one so young. Only, the jolly old elf is nowhere to be found. The Supreme Court has ruled that Santa Claus does not exist. Lawmakers have banned displaying his likeness and singing songs that mention his name. Outraged, Michael's teenage sister launches a spirited campaign to force Congress to repeal the ban, insisting that believing in Santa is every child's right.
